166 Caroline Street
Elyria, Ohio 44035
July 5, 1995

Eugene & Ursula Kunsitis
31200 Chardon Rd.
Willoughby Hills, OH 44094

Dear Gene & Ursula:

The design above should look very familiar. It is my computer version of your winning design which is being used on the pin for this event...and on much of the literature connected to the AOS/Mid-America.

As the creator of the winning design, you are entitled to ~~one~~ TWO free registration for the meeting. I am enclosing a registration form for you to complete and return to me.

Congratulations!

Sincerely,

Mary
